

WALAIPORN SANORKHAM

CHEMISTRY LAB TECHNICIAN

PERSONAL BACKGROUND

Age : 19 year old

Hight : 160 cm

Weight : 58 kg

Hometown : Rayong

Nationality : Thai

PREVIOUS EDUCATION

High Vocational Certificate Industrial

Chemistry Department at Rayong
Technical College.

GPA = 3.40

WORK EXPERIENCE

Internship student at

Aditya Birla Chemicals (Thailand) Ltd. (Advanced
Material) : Jul, 2020 – Oct, 2020

QA Instrument

- Prepare a sample for analysis with a Gas Chromatography (GC) machine to see the pattern.

- Prepare samples for Gel Permeation Chromatography (GPC) analysis to determine molecular weight and dispersion of polymer (Mn, Mw)

- Prepare a sample for analysis by High performance liquid chromatography (HPLC) to determine the Isomer of the polymer.

- Water content of sample and raw material were analyzed using a Karl Fischer Titrator and record Raw Materials.

OTHERS ABILITIES

- Verification and in-house calibration equipments.

- Prepare Standard and calculate concentration for creating Calibration curve. To create a method using the program of the Gas Chromatography (GC) machine.
